課程要求和教學方式之建議

Course Requirements and Suggested Teaching Methods

This course will use a combination of lectures, case studies, presentations, and class discussions in order to help students to develop skills required for success as a marketing manager. In the beginning of the semester, students will be grouped into groups of no more than 4 students.

The instructor will use lecture and cases to explain marketing theory. In each class, after the lecture, one student group will be required to present a business case (included in the textbook), within about 25 minutes. In order to promote class discussion, this will be followed by a discussion on real world practices by firms in relation to the content taught in the class.
