資源需求評估 (師資專長之聘任、儀器設備的配合 . . . 等) Resources Required (e.g. qualifications and expertise, instrument and equipment, etc.)		
Notebook		
課程要求和教學方式之建議 Course Requirements and Suggested Teaching Methods		
<p>Class Attendance and classroom etiquette:</p> <p>Class participation is mandatory. A 5-point credit will be deducted from your “class attendance credit” for each additional class missed after one allowable absence. Class attendance is very important to your doing well in this class. Poor classroom etiquette will also result in the loss of credit.</p> <p>Tests and Final Exam:</p> <p>There will be two tests during the semester, a midterm exam and final exam of the semester. Honor code is strictly enforced in the exam. Any cheating or attempt to cheat will automatically result in a failing grade in the course. You must turn in your exam when the time is over. I will not accept any exam that is turned in seconds late.</p> <p>Policy on Make-up Test &amp; “Extra Credit” :</p> <p>You are expected to take tests and exam at the scheduled time. Make-up exams are rarely granted. Students who have to miss a test with legitimate reasons such as personal or family emergency may request in advance, in writing, for a make-up. Such written requests must be submitted before the scheduled test, and I will decide on the make-up date. I will not grant any “extra credit” for extra work; you have plenty opportunities to perform well in the class.</p>
