課程描述 Course Description				
<p>The aims of the course are (1) to understand the impact of culture on management; to identify the areas in which cultural differences pose challenges as well as opportunities in managing people across cultures; and, to become more self-aware of our cultural conditioning, individual biases and assumptions, and (2) employ overseas visits to provide our students access the opportunity to absorb first-hand know-how, cultivate knowledge and insight about cross-cultural management.</p> <p>The course focuses on the impact of cultural background on individuals, organizations and management; on the dimensions which discriminate national cultures, and on cross-cultural interactions. The objective of the course is to help students to construct their own coherent, individual perspective of the substance and increase their cultural awareness. Besides, overseas visits comprise case analysis and visits to benchmark corporations, providing our students access the opportunity to absorb first-hand know-how, cultivate knowledge and insight about cross-cultural management. Designated visit destinations include the US, the EU, the ASEAN countries and China.</p>
