#### 課程描述 Course Description

The course aims to provide students with the basic knowledge of business in international markets. The course introduces students with global business, global environments, principles of foreign market entry and the conduction of business in international settings. By the end of the semester, students are expected to acquire the basic understanding of how business strategies play in international environments. It is expected that students would be able to build the business strategy of a firm for an international market.

#### 課程目標 Course Objectives

This course is designed to help students develop an understanding of the uniqueness of international business. The course content addresses the environment challenges as well as critical management issues an international business faces with. By the end of this course, students should have the basic knowledge on strategic and managerial issues of international firms that operate in a dynamic global environment.
