課程大綱 Course Outline		
The primary objective of the course is to equip students with the knowledge of how to design a marketing plan, especially, in the following three areas: 1) environmental analysis (including environmental scanning and data collection), 2) STP strategy, and 3) 4P strategies.		
資源需求評估（師資專長之聘任、儀器設備的配合．．．等） Resources Required (e.g. qualifications and expertise, instrument and equipment, etc.)		
Teachers are suggested to have a PhD or an MBA degree from the Department of International Business or Department of Business Administration with specialization in Marketing, and the classroom should be equipped with multimedia facilities for effective presentations.		
課程要求和教學方式之建議 Course Requirements and Suggested Teaching Methods		
This course will use a combination of lectures, case studies, presentations, and class discussions in order to help students to develop skills required for success as a marketing manager. In the beginning of the semester, students will be grouped into groups of no more than 4 students. The instructor will use lecture and cases to explain marketing theory. In each class, after the lecture, one student group will be required to present a business case (included in the textbook), within about 25 minutes. In order to promote class discussion, this will be followed by a discussion on real world practices by firms in relation to the content taught in the class.
