課程描述 Course Description												
<p>This class intends to lay a solid foundation for students in fixed-income securities and its derivatives. I will walk you through this textbook. Understanding bond market becomes a very important knowledge base for modern decision maker, especially, after the US financial crisis that mainly was caused by fixed income derivatives.</p> <p>Required Textbook: 債券市場，薛立言，劉亞秋 著，第三版，指南書局</p> <p>Other readings: Other readings includes articles from the following news sources which are very helpful for understanding the practice side of fixed income securities and its derivatives: Wall Street Journal, Financial Times, Business Week, 經濟日報，工商日報 Any current news in the fixed-income securities markets will be discussed in the class and you are responsible for any such items on exams.</p> <p>Class etiquette: Experience indicates that students with regular attendance of class have higher grades than those who did not. Followings are basic class etiquette. Turn off your mobile phone before class. No iPad or laptop computer is allowed to use during lecture, unless with permission from me. No loud chatting allowed in the class. Having food or drink in the class is not encouraged. Any irrational behavior in the class will not be tolerated. Any violation of the class etiquette will be penalized by reduction in your grade.</p> <p>Three strikes, you' re out: If you missed three classes without any official excuses, your semester grade will be D or below D. You need an official document for not attending class. No oral or email excuses will be accepted. Therefore, please do not email me that you could not come to class, just give me the official document.</p>
