#### 課程描述 Course Description

Identify the international financial management goal and organizational structure of the Multinational Corporation (MNC).

Describe the key theories that justify international business and international finance Explain the common methods used to conduct international business and international finance Provide a simple model for valuing the MNC under exchange rate and international financial market uncertainty

Class etiquette: Experience indicates that students with regular attendance of class have higher grades than those who did not. Followings are basic class etiquette. Turn off your mobile phone before class. No iPad or laptop computer is allowed to use during lecture, unless with permission from me. No loud chatting allowed in the class. Having food or drink in the class is not encouraged. Any irrational behavior in the class will not be tolerated. Any violation of the class etiquette will be penalized by reduction in your grade.

Three strikes, you're out: If you missed three classes without any official excuses, your semester grade will be C or below C. You need an official document for not attending class. No oral or email excuses will be accepted. Therefore, please do not email me that you could not come to class, just give me the official document.
