Grading & Assessments Supplemental instructions

- 1. The midterm and final exam is a three-hour event. THEY WILL BE ON 11/14/2013 AND 1/9/2014 IN CLASS.
- 2. There are no provisions for make-up exams for midterm and final exam. However, if a student has a legitimate reason for missing a scheduled exam, he/she will be allowed to take no more than one make-up exam. Moreover, MAKE-UP TESTS MAY CONSIST OF QUESTIONS WITH MUCH HIGHER DIFFICULTY LEVELS THAN SCHEDULED TESTS, because the student has the benefit of more preparation time and information that can be obtained from classmates. To take a make-up test, the student must provide a legitimate excuse signed by a qualified person; for example a physician in case of illness.
- 3. There will be 3 to 4 quizzes in our course. THERE ARE NO MAKE-UPS FOR MISSED QUIZZES. Therefore a score of "0" will be assigned to a missed quiz.
- 4. The use of cell phones is not allowed while students are taking exam or quizzes.
- 5. Homework Assignments may be assigned at the end of each chapter, as deemed necessary, depending on the significance of the chapter materials to the student's learning process. A score of "0" will be assigned to a missed homework.
