其他補充說明 (Supplemental instructions)

You are expected to attend and participate in the class regularly. I will assign homework, give tests and take class roll from time to time. Please be advised that I will not accept late homework. The textbook should not be the only source of obtaining knowledge for international finance. Taking class notes, reading journals, newspapers, magazines, and browsing websites of related topics are highly recommended. Each student will be responsible to present a related topic in the class. General performance during the whole semester will account for 30% of your final grade. There will be one mid-term (30%) and one final examination (40%). You should take the exams in class with your classmates. Cheating in any forms will result in your failure in this course
