課程描述　Course Description

The aim of this class is to assist students in understanding following topics.
- Understand history of international financial systems and institutions.
- Understand theories and development in global financial system.
- Introduce financial instruments and related issues and foster students to be capable of practical skills.
- Understand the newly development in international financial markets, such private equity, hedge fund and venture capital.

Class etiquette: Experience indicates that students with regular attendance of class have higher grades than those who did not. Followings are basic class etiquette. No laptop computer, iPad and cellphone are allowed for use during lecture unless with special permission. Turn off your mobile phone before class. No loud chatting allowed in the class. Having food or drink in the class is not encouraged. If you are late for the class for more than 30 minutes, please do not enter the class room. If you miss more than three classes, your semester grade will be no more than C, depending upon your severity of truancy. Any irrational behavior in the class will not be tolerated. Any violation of the class etiquette will be penalized by reduction in your grade.
