| The main purpose of this course is encouraging students to understand the connection between the theoretical concepts of financial markets and their real-word applications. By enhancing students' analytical abilities and concrete problem-solving skills, this course prepares students for successful careers in the financial services or successful interactions with financial institutions.   |                         |                                 |                            |           |                                       |        |           |  |  |  |  |

## 其他補充說明(Supplemental instructions)

Class etiquette: Experience indicates that students with regular attendance of class have higher grades than those who did not. Followings are basic class etiquette. No laptop computer, iPad and cellphone are allowed for use during lecture unless with special permission. Turn off your mobile phone before class. No loud chatting allowed in the class. Having food or drink in the class is not encouraged. If you are late for the class for more than 30 minutes, please do not enter the class room. If you miss more than three classes, your semester grade will be no more than C, depending upon your severity of truancy. Any irrational behavior in the class will not be tolerated. Any violation of the class etiquette will be penalized by reduction in your grade.
