Grading & Assessments Supplemental instructions

Exams: 70%. There will be one mid-term exam and a comprehensive final examination. The mid-term exam will account for 30% and the final exam will account for 40% of your total grade.

General performance: 30%. It includes: quizzes, homework, classroom games, class presentation...etc. The purpose of these activities is to help you assimilate the materials taught in the class and prepare for the exams. Please note that late homework will not earn you any credit.

Importance: You should take the exams with your class. If you missed the exam for acceptable excuses such as a university-sponsored excursion, a critical illness or a death in your family, you must see me within a week after the exam to arrange for a make-up exam or receive no credit for that exam.
