課程描述 Course Description								

A. The goal/outline of the course:

Students will learn English through the critical evaluation of popular music specially selected by for its richness of expression and narrative lyrical content. Students will analyze and discuss their impressions and interpretations of songs presented in class, and will broaden their English vocabularies and enrich their critical thinking skills in the process. Songs will be taken from the canons of such notable musical luminaries of Western music as Bob Dylan, Neil Young, Gordon Lightfoot, Tom Petty, Paul Simon, and others.

B. The teaching methods:

The first hour of class will be student presentations. In the second hour, the teacher will lecture and we will have class discussions. Prior to hearing a song, students will be introduced to key vocabulary and its usage. While listening to the songs introduced in class, students are encouraged to simultaneously read along with the lyrics. Following this, the class will engage in analysis and discussion of the song's content and meaning, including: theme, imagery, mood, characters, setting, story line, use of literary devices, rhyme, phrasing etc. Students will be expected to think analytically and critically, and to articulate their opinions and impressions in English. Only material covered by the instructor in the listening, lecture, and discussion portions class of our class is testable (i.e. students will not be tested on the content of their classmates' presentations)

## STUDENT SONG PRESENTATIONS

Each student will give one individual report on a song of his or her choice, including a brief introduction to the artist, an analysis of the song's lyrics and meaning, as well as identifying and explaining difficult vocabulary. The presentation should be approximately fifteen minutes in length, and should be prepared using PPT or other appropriate software with all references clearly cited.

Please be ready to present at your time on your date.

Students will not be tested on the content of other students' presentations.

C. Important notes: No phone use / eating /sleeping allowed in class.

All your work must be your own original writing. There are no exceptions. Students caught plagiarizing will receive a mark of zero on the assignment. The instructor's policy on the use of AI to complete students' song presentations will be explained in class. Song presentations must represent completely original

work and cannot be copied in whole or in part from sources or prepared using AI technology. To ensure compliance with this requirement, students must provide teacher with a copy of their presentations before they get up to speak along with a printout of the results from running the text of the presentation through an AI detector tool (ChatGPT Zero). If the results of this check indicate a strong likelihood that AI was used to write the content, significant deductions will be made to the students' scores at the instructor's discretion. Students taking this class must agree to conform to this policy. 所有作品必須為自己的原作,沒有例外。被發現有作弊抄襲的學生,該項作業成績為零。 If you send Jason an email, your subject line must include the following: 1) your name and student number, 2) the course name and 3) the course section (see example below): 電郵給老師的郵件主旨必須要有:你的名字、學號、課程名稱和代號(見以下範例): SUBJECT: From Vicky Lin, 5566778, Pop Culture AB Attendance is mandatory. Permission to miss class or to be late must be obtained in advance and will only be granted in cases of illness, family emergency, approved extracurricular activity or other extenuating circumstances. Marks will be deducted for absence and lateness in the absence of advance permission. 修課學生一定要出席每堂課。唯有以下情形才可以獲准缺課或遲到:生病、家庭事故、正式公開的校外活動或是其他 情有可原的狀況等,但不論任何情況都必須"事先"告知請假。若學生沒有事先被老師允許請假而有遲到或缺課的情 形,其出席成績都將會予以扣分。 1 unexcused absence= minus 5% 無故缺席一次 = 扣5% 2 unexcused absence =minus 10% 無故缺席兩次 = 扣10% 3 unexcused absence = grade of D in the course (FAIL) 無故缺席三次 = 該門課D當 3 times late = 1 unexcused absence = minus 5% 遲到3次 = 無故缺席一次 = 扣5% If you are absent from class, you are still responsible for all course work. This includes getting class notes and homework assignments from a classmate and arranging make-up dates for presentations. 即使您該週缺席,您仍然要完成所有的課堂作業,其中包括課堂筆記以及回家作業;若該週有考試或課堂報告,則要 另外安排時間補考或是補報告,並且交出所有期限內應完成的作業 Only leave requests made using the NDHU 學生請假系統 Student Leave Management System will be considered. DO NOT EMAIL THE INSTRUCTOR DIRECTLY WITH LEAVE REQUESTS. 2) Midterm and Final Tests Midterm and Final Tests will take place during our regularly scheduled class time. Exams are closed book. No notes or other materials on electronic devices may be consulted while students are writing these exams. 課程目標 Course Objectives Students will engage in the critical examination of popular music specially selected for its richness of expression and narrative lyrical content. Students will discuss their impressions and interpretations of songs presented in class, broadening their English vocabularies and enriching their critical thinking skills in the process.
