#### 課程描述 Course Description

The course aims to provide students with the basic knowledge of marketing management in international markets. The course introduces students with global marketing, global marketing environments, principles of foreign market entry and the application of the 4ps of marketing in international settings. By the end of the semester, the students are expected to acquire the basic understanding of how marketing strategies play in international environments. It is expected that students would be able to build the marketing strategy of a firm for an international market

#### 課程目標 Course Objectives

The main objective of this course is to develop a managerial understanding of international marketing. This course will help students enhance their analytical, decision making and implementation skills in an intense, highly challenging project of developing an actual marketing plan. The course will place an equal emphasis on managerial and marketing issues faced by firms operating in many parts of the world
