課程描述 Course Description

This course, Global Business Opportunity Investigation, through seminars and field trip to overseas businesses, offers students an advanced understanding the practices of international businesses, especially Taiwanese business operations globally to fit current national trade policy. Special attention is given to fundamental concepts of international management, business law, finance, and marketing, coping with the regulations of authorities in foreign countries. The cultural, attitudinal, and behavioral differences that affect international business are also examined. In this course, we aim to enhance the students' knowledge in areas of International Business Management, equip the students' experience in local business operations as well as the local cultural adaptation, and educate students the business practices to cope with cultural differences. The course is divided into two parts: coursework and field trip. In the former section, student should prepare the basic knowledge, including cultural acknowledgement, case studies, and language seminars(if any), to learn the business knowledge as well as the local firms do. Regarding the latter, a 6-day field trip has been organized, and students should participate the discussion of the staff of visited business(es) in that very country or bloc. With this system, students can obtain a high level of understanding in the international business environment.

課程目標 Course Objectives

在全球化的浪潮中,區域經濟及自由貿易已經成為貿易主流,也有部分區域開始規劃反整合之政策。依恃國際貿易發展的臺灣,必須掌握全球各地的經濟發展趨勢,方能進行全球佈局與風險規劃。本課程將結合政府相關部會,進行市場情報訊息及商機的分析,培育國際貿易人才,定能幫助台灣經濟發展。
