Grading & Assessments Supplemental instructions

1 x 15-minute presentation in English on different aspects of British life, culture and current events in the UK based around UK news stories. Each week, there will be 3-4 presentations from 3-4 students on a similar theme. Any references and material must be properly cited in their presentations. Reading will not be permitted. For the presentations, students must also prepare a list of questions related to the subject of their presentations for their classmates to discuss. The power point as well as the list of questions must be emailed to me several days before the day of the presentation with sources and questions for the audience. I also want you to nominate some classmates to answer your questions if nobody volunteers to answer them! No plagiarizing from the internet! There will also be short quizzes for homework after we finish a chapter in class.

In addition, students are required to make a short presentation of a song (5 minutes) by a UK (or Irish) singer or band. Introduce the song or band, then play the song showing the class the MV and lyrics. Prepare one question about your song and nominate someone in class to answer it!
